Chicago, IL | 779.537.1556 | [therealmadisonmetcalf@gmail.com](mailto:therealmadisonmetcalf@gmail.com) | <https://www.linkedin.com/in/madison-metcalf-2a7b22288/>

## Objective

Dynamic product development student passionate about the art of costuming in film through set production, tailoring and designing.

## Education

**Columbia College Chicago | Graduate 2026**

Major: Fashion Studies BA | Focus: Product Development

## Experience

**Barista | Starbucks 2022 – Present**

- Communicate with customers about the various aspects of the menu offering our aid in any step of the ordering process through suggestions and translations.
- Ensure the work area is kept clean and well stocked throughout the workday. I adhere to the food safety regulations by making sure my person is clean as well as the utensils used throughout the process.
- Organize inventory sent to the store every morning.
- Preparing drinks for customers adhering to Starbucks regulations and recipes.

**Cinespace | Costumes PA 2022 - 2024**

**Projects: Saturdays, The Chi, Heist 88, Somebody Somewhere**

- Work in collaboration with all office personnel ensuring that every need is satisfied throughout the work week
- Finishing tasks assigned by supervisor or various coworkers in completion and promptly
- Grocery shopping for the office, placing and picking up lunch orders, running back and forth from set and keeping everything on a tight schedule
- Completing returns throughout the week of access clothing not being used in various filmed scenes

**Harris Joliet | Tailor 2025-Present**

- Measure employees to correctly size them for their uniform
- Complete alterations and repairs when needed
- Keep track of what uniforms we have and what is needed and communicate that with designated departments
